## POST EGTRRA ADDENDUM

This Addendum to the Plan is adopted to reflect the provisions of applicable law and the applicable regulations that are generally effective after December 31, 2006 ("Applicable Law"). This Addendum is intended as good faith compliance with the requirements of Applicable Law and is to be construed in accordance with same. This Addendum and the provisions of Applicable Law shall supersede the provisions of the Plan to the extent those provisions are inconsistent with the provisions of this Addendum and Applicable Law.

Except as expressly provided herein, this Addendum shall be effective for Plan Years beginning on or after January 1, 2007. Any effective dates specified herein shall be modified to the extent necessary to comply with any superseding guidance.

### STANDARD PROVISIONS:

- A. Annual Addition Limitations. Except as otherwise expressly provided, this Paragraph shall be effective for limitation years beginning on or after July 1, 2007.
1. Any correction methods for excess annual additions set forth in the Plan that were allowed pursuant to the prior version of Treas. Reg. 1.415-6(b)(6) shall not apply. However, the Plan may be eligible for self-correction under Rev. Proc. 2006-27, 2006-22 I.R.B. 945 and any superseding guidance.
  2. Restorative payments allocated to a participant's account, which include payments made to restore losses to the Plan resulting from actions (or a failure to act) by a fiduciary for which there is a reasonable risk of liability under Title I of ERISA or under other applicable federal or state law, where similarly situated participants are similarly treated, shall not give rise to an annual addition for any limitation year.
  3. The Plan's definition of compensation for a year that is used for purposes of Code section 415 may not reflect compensation for a year greater than the limit under Code section 401(a)(17) that applies to that year.
  4. If the Plan uses a definition of compensation for purposes of Code section 415 under prior regulations that included only those items specified in Treas. Reg. section 1.415-2(d)(2)(i) and excluding all of those items listed in Treas. Reg. section 1.415-2(d)(3), the definition shall be revised to indicate that compensation for such purposes means all items of remuneration described in Treas. Reg. 1.415(c)-2(b), and excluding the items of remuneration described in Treas. Reg. 1.415(c)-2(c).
  5. "Post Year End Compensation" means amounts earned during a year but not paid during that year solely because of the timing of pay periods and pay dates if: (i) these amounts are paid during the first few weeks of the next year; (ii) the amounts are included on a uniform and consistent basis with respect to all similarly situated Employees; and (iii) no compensation is included in more than one year.
  6. "Post Severance Compensation" means amounts paid by the later of: (1) 2-1/2 months after an employee's severance from employment with the employer maintaining the plan or (2) the end of the limitation year that includes the date of severance from employment with the employer maintaining the plan; and those amounts would have been included in the definition of compensation if they were paid prior to the employee's severance from employment with the employer maintaining the plan. However the payment must be for (a) unused accrued bona fide sick, vacation, or other leave, but only if the employee would have been able to use the leave if the employee had continued in employment; or (b) received by an employee pursuant to a nonqualified unfunded deferred compensation plan, but only if the payment would have been paid to the employee at the same time if the employee had continued in employment with the employer and only to the extent that the payment is includible in the employee's gross income.
  7. Compensation shall include other compensation paid by the later of: (1) 2-1/2 months after an employee's severance from employment with the employer maintaining the plan or (2) the end of the limitation year that includes the date of the employee's severance from employment with the employer maintaining the plan if: (a) the payment is regular compensation for services during the employee's regular working hours, or compensation for services outside the employee's regular working hours (e.g., overtime or shift differential), commissions, bonuses, or other similar payments; and the payment would have been paid to the employee prior to a severance from employment if the employee had continued in employment with the employer.

The exclusions from compensation for payments after severance from employment do not apply to payments to an individual who does not currently perform services for the employer by reason of qualified military service (as that term is used in Code section 414(u)(1)) to the extent those payments do not exceed the amounts the individual would have received if the individual had continued to perform services for the

employer rather than entering qualified military service. To the extent provided in the Plan, compensation shall include compensation paid to a participant who is permanently and totally disabled.

- B.** Protected Benefits. This Paragraph is effective for plan amendments adopted after August 9, 2006 (periods beginning on or after June 7, 2004 relating to suspension of benefit payments).
1. Except as provided in Paragraph **B.2**, a plan amendment may not decrease a participant's accrued benefits, or otherwise place greater restrictions or conditions on a participant's rights to Code section 411(d)(6) protected benefits, even if the amendment merely adds a restriction or condition that is permitted under the vesting rules in Code section 411(a)(3) through (11).
  2. An amendment described in Paragraph **B.1** does not violate Code section 411(d)(6) to the extent: (i) it applies with respect to benefits that accrue after the applicable amendment date; or (ii) the plan amendment changes the Plan's vesting computation period and it satisfies the applicable requirements under 29 CFR 2530.203-2(c).
- C.** Mid-Year Roth. The Plan shall not fail to satisfy the requirements to be a Code section 401(k) safe harbor plan merely because of mid-year changes to implement a qualified Roth contribution program (as defined in Code section 402A) or the hardship withdrawals described in part III of Notice 2007-7.
- D.** Mandatory Rollovers - Roth. Eligible rollover distributions from a Participant's Roth Elective Deferral Account are separately taken into account in determining whether the total amount of the Participant's Account balances under the Plan exceeds \$1,000 for purposes of mandatory distributions from the Plan.

The undersigned agree to be bound by the terms of the forgoing addendum to the Plan and acknowledge receipt of same. This addendum is executed this \_\_\_\_ day of \_\_\_\_\_, **2008**.
